# Multiplying Disciples and Churches

### 2025 Mission Report

#### Introduction:

July 6, 2025, marked my 10<sup>th</sup> anniversary serving LCMC Texas District as Director of Mission Growth! These days I find myself looking back and reflecting on all that God has done in advancing His mission among us. Despite our challenges, it has been, and continues to be, a joy to serve our association as an ambassador of the Great Commission.

We continue to affirm our district's mission to "Multiply Disciples and Churches." We believe that God is calling us to be an association of healthy Lutheran Congregations in Mission for Christ across Texas actively making disciples, equipping leaders, and engaging in Gospel mission in our communities and beyond. Strategically, through intentional relationships, we are equipping leaders, strengthening congregations, and inspiring mission.

Our mission, vision and strategy guide me as I carry out my work. In LCMC, we celebrate that local congregations are the frontlines of mission and ministry. Therefore, I understand my role is to do whatever I can to help our congregations and their leaders be successful in their mission. It is a privilege to walk alongside our congregations to encourage, educate, equip and inspire!

### Staffing:

This year has been marked by a few changes in our staffing. Alyssa McCullough, who served nearly four years as our Program Support Specialist, is no longer with us. We wish her and her family the very best and thank her for her contributions to the District. Doris Engelhardt, who has served as our Bookkeeper for the past three years after previously serving as Treasurer of our District Council, announced several months ago, that she would be retiring at the end of our fiscal year. We are grateful to Doris for being so gracious with her time in training and providing a smooth transition.

In June, we welcomed Aubrey Hamann to our staff as our new Bookkeeper. We are very excited for Aubrey to join our team as she brings a wealth of knowledge and talent. In addition, Harvest Workers student, Kyle McGinnis, began a three-month administrative internship and is assisting with office and communications work this summer. Kyle will begin a 12-month pastoral internship in Odessa in September. I am very grateful for both new partners in our ministry!

#### Welcoming New Churches:

We continue to work with and support congregations that are interested in joining our association. Often churches seeking to change affiliations face significant challenges and they appreciate your prayers and encouragement. Since our last Gathering, we have welcomed four congregations: St. Paul – Phillipsburg, Brenham; St. James – New Wehdem, Brenham; New Sweden, Manor; and St. Paul, Crawford. When you see their representatives here at the Gathering, please be sure to welcome them to LCMC! Five additional congregations are currently considering affiliation with LCMC. Please keep these congregations in your prayers.

### **Church Planting:**

We continue to engage with two church planting projects in Texas: Hebrews 10:24 in San Antonio and the Waco Mission, a replant of Christ Lutheran Church. We celebrate consistent progress in San Antonio and thank Chuck and Azeneth Knudson for their continued faithfulness in seeking to reach the unreached in their community. You can help support their mission through purchasing 2 Burros Coffee or making contributions to the ministry directly. Be sure to stop by their table to learn more about the important work they are doing in San Antonio.

Our Waco Mission has had some exciting developments which lay a foundation for a future mission. While replanting a church in the former Christ Lutheran property on MacArthur did not work out, we were able to clean-up, repair, and market the property this past year, resulting in a sale of the property to another church. This sale allowed the mission to repay its debts and provided cash reserves to fund the replanting efforts. We look forward to sharing more information as plans are developed further. Thank you for your prayers and support!

In addition to supporting these two mission efforts, it is my goal to accompany any congregation or individual looking to engage in mission expansion. I pray for the day that it is ordinary for Lutherans to engage in planting other churches. Thank you to those pastors and church councils that are willing to begin these conversations. If you have not yet begun these conversations, I invite you to do so. I would love the opportunity to connect with you and your church leadership and accompany you on your church multiplication journey.

#### Harvest Workers:

Our congregations continue to face a growing challenge of identifying well-qualified pastors to serve open positions. We all need to be mindful of this and be seeking to address the issue. I believe that every congregation and pastor should invest in raising up future ministry leaders. Five years ago, we launched Harvest Workers, our online ministry training program. The program is designed to come alongside congregations and pastors to help equip new leaders for ministry in an affordable, accessible, practical, and missional way. Harvest Workers is designed for those who are called to be leaders in their congregations and communities as well as for church ministry staff, church planters, and contract pastors. We offer both a Church Leader Track and Pastoral Ministry Track. We currently have 24 students enrolled in the programs.

In addition to our certificate programs, churches can sign up for group classes, pastors can gather a peer group for continuing education, and anyone can pursue individual courses by auditing a class. If God is calling you to grow in an area of Bible, theology, or practical ministry, chances are we have a course for you! Please contact me to begin a conversation about how Harvest Workers can help equip you for what God is calling you to do!

### Call Coaching / Transitions:

Pastoral transitions continue to be common across our District. I offer call coaching to congregations as they go through the call process and regularly lead LCMC Call Process Workshops. If you are experiencing a pastoral transition, please reach out. Pastoral transitions present both significant challenges and opportunities. No congregation should go through this transition without support.

#### Disaster Response:

It is a privilege to be an ambassador for the larger body of Christ during times of disaster. In the face of tragedy, the church seeks to support those impacted and in need. The recent Hill Country flooding was yet another of these disasters. I visited Zion, Kerrville on July 6 and have remained in close contact with the congregational leaders. We also began a fund-raising campaign on July 5. At the time of this writing, \$27,000 has been raised with donations coming in from coast to coast.

### Looking Ahead in 2025-26:

- Attend 2025 LCMC Annual Gathering in Lakeville, Minnesota in October
- Host 2 Winter LeaderCare Retreats in Concan (Feb. 1-3 & Feb. 4-6, 2026)

Your brother in Christ.
